Dear Mr. Barr,

**Re: Support for IDNR-TV**

---

On behalf of the over 4,000 individual and corporate members of the Association for Mineral Exploration British Columbia (AME BC), we would like to express our support for IDNR-TV.

We believe that IDNR-TV presents an excellent opportunity for our members and Canadians nationwide to learn about current developments and in the resource sector. IDNR-TV has the potential to provide the public with information about opportunities in the minerals sector, which provides safe, high-wage, family supporting jobs in all regions of Canada.

AME BC represents over 4,000 members including geoscientists, prospectors, engineers, entrepreneurs, exploration companies, suppliers, mineral producers, and associations who are directly or indirectly engaged in mineral exploration in British Columbia and throughout the world. Through leadership, partnerships, and advocacy, AME BC promotes a healthy environment and business climate for the mineral exploration industry on behalf of its members. AME BC is regarded as the predominant voice of mineral exploration and related issues in British Columbia.

We wish you the greatest success in this endeavour.

Yours truly,

  
Dan M. Jepsen, BPPF  
President & Chief Executive Officer  
Association for Mineral Exploration British Columbia
